

## IT'S THE ECONOMY, STUPID.

Let's be blunt: These are tough times. And your business needs to survive. Think different! The worst times for the economy are the best times for advertisers. Facts show that increased spending in a slow economy leads to profitability. When the competition is at a standstill, you will prosper from their inaction. Network Affiliates—the pioneer in legal advertising—will show you how.

For a complimentary, confidential marketing evaluation, call Network Affiliates at 1-800-525-3332. And ask for Harlan Schillinger.
